

Team Involvement in Demonstration

Date	4 July 2026
Team ID	
Project Name	Voice-Based Concept Understanding Analyser
Maximum Marks	1 Mark

Team Involvement in Demonstration:

This document records the participation of each team member during the demonstration of the **Voice-Based Concept Understanding Analyser (VBCUA)** project. Each member is assigned a specific responsibility to ensure that all major project features are presented effectively and that the demonstration proceeds smoothly.

S.No	Team Member Name	Role in Demo	Section Presented	Contribution Summary	Participation
1	Muppagowni Sai Krishna	Team Leader	Introduction, Problem Statement & Conclusion	Introduced the project, explained objectives, coordinated the demo, and concluded the presentation.	Active
2	Naveenreddy Naveenreddy	Presenter	System Architecture & Technology Stack	Explained the project architecture, technologies used, and overall workflow.	Active
3	Ponnampalli Raghava	Demonstrator	Live Feature Demonstration	Demonstrated audio upload, speech-to-text conversion, semantic similarity analysis, and scoring.	Active
4	Shaik Baharunnisa	Presenter	Waveform Visualization & PDF Report Generation	Demonstrated waveform generation, report generation, and report download functionality.	Active
5	Ibrahim Syed	Presenter	Results Analysis, Testing & Future Scope	Explained evaluation results, testing outcomes, scalability, and future enhancements.	Active
6	Entire Team	Q&A Support	Question & Answer Session	Assisted in answering technical and functional questions from the evaluation panel.	Active

Team Coordination Notes:

Aspect	Details
Team Leader / Coordinator	Muppagowni Sai Krishna
Overall Team Coordination Rating (1– 5 / 5)	
Any issues during demo	Minor delay while loading the AI models (OpenAI Whisper and Sentence-BERT) and processing the uploaded audio for the first time.
How issues were resolved	The team verified all dependencies before the demo, preloaded the AI models, tested the application in advance, and coordinated smoothly to continue the presentation without interruption.
